Objective

Motivated HSC graduate with a strong passion for web development, foundational programming knowledge, and a keen interest in cybersecurity. Seeking undergraduate admission to gain opportunities for deeper learning, broaden knowledge, and develop advanced technical skills.

Education

Degree	Session	Institution	GPA
JSC	2019	Mohangoanj Adarsha High School	3.94
SSC	2021–2022	Mohangoanj Adarsha High School	4.94
HSC	2023–2024	Safiuddin Sarker Academy and College	5.00

Technical Skills

Programming (basic): Python · C · Java · JavaScript - I have a strong understanding of C programming basics compared to other languages.

Web Development: HTML · CSS · Bootstrap - Built and deployed frontend projects using localStorage. Repositories available on GitHub.

Cybersecurity & Tools: Kali Linux · Metasploit · Phishing knowledge

Operating Systems: Windows · Linux (Parrot, Kali, Arch, BlackArch)

Terminals & Tools: Kali terminal · Parrot terminal · Termux · Git · CMD · PowerShell

Office & Productivity: Microsoft Word · PowerPoint · Google Docs

Mathematics & Problem Solving: Strong analytical and problem-solving skills with good command over mathematics.

AI Used: Gemini · ChatGPT · Sora · Copilot · Grok · Nano Banana · DeepSeek

Projects

1. **StudyBuddy-Pro** — *Study Planner*
   - Features: Daily & monthly routine planning, exam recap assistance, progress reporting.
   - Link: https://studybuddy-pro.vercel.app/
   - Notes: Frontend project using localStorage.
2. **University Countdown** — *Countdown for upcoming exams*
   - Features: Shows upcoming exam dates with live countdowns.
   - Link: https://admission-vert.vercel.app/
   - Notes: Frontend project using localStorage.
3. **Login Page** — *Personal login UI with pre-defined password*
   - Link: https://our-logger.vercel.app/
   - Notes: For personal use; frontend + localStorage.

All project source code and additional demos are on my GitHub: https://github.com/urfa-fattah

Achievements

- 1st place — Divisional Science Quiz, Mymensingh.
- 3rd place — Regional ICT Competition.

Extracurricular & Interests

- Competitive problem solving and mathematics
- Exploring cybersecurity and ethical hacking tools
- Building small web applications and UI experiments
